LOCUST POINT, Baltimore, MD

Experience urban charm in this unique 3-bedroom, 1.5-bath home in Baltimore's historic Locust Point neighborhood, where two row homes are seamlessly merged into one expansive living space. This home combines federal-style interiors with modern upgrades, featuring two distinct living areas on the main level, both adorned with beautiful hardwood floors—one highlighted by exposed brick and a wood-burning fireplace, and the other accented with crown molding and a spiral staircase. The elegant dining area, also with hardwood floors, opens into a fully equipped kitchen featuring granite countertops, stainless steel appliances, and a breakfast bar. The upper level hosts three spacious bedrooms and a full bathroom, while the lower level offers a cozy family room, extra storage space, and a convenient half bath that can easily be upgraded to a full bath as all underground plumbing and a water injector are already in place. Additionally, the basement can be transformed into a fourth bedroom, enhancing the home's versatility. The fully fenced concrete backyard provides a private setting for outdoor gatherings. Situated in a lively, walkable community close to Latrobe Park, Fort McHenry, and numerous shopping and dining venues, this home perfectly blends historical allure with modern convenience.
